

Projected Schedule of Course Offerings Table: Early Childhood 2018-2019

The intention for this chart is to provide a guideline to compare the contact hours listed in the required documentation and to make sure that the contact hours for each course component and the total course contact hours match within the documentation requirements.

- AMS Early Childhood teacher education courses shall offer an academic phase of **at least 300 contact hours**.
 - Core subjects of Practical Life, Sensorial, Language and Mathematics must have a minimum each of 32 hours.
- *Minimum hours not specified shall be distributed among the core components and other course components at the discretion of the director **to total a minimum of 300 contact hours**
